MANUFACTURING AND PRINTING

We offer a wide range of cosmetic packaging options, including perfume bottles, cosmetic containers, nail polish bottles, essential oil bottles, storage containers, sealed bottle sets, condiment bottles, and cream and serum containers. Our in-house facilities handle custom glass bottle printing, electroplating, screen printing, frosting, bronzing, and more. We maintain strict quality control, with the latest technology, to ensure consistency throughout all our products and printing jobs.

Can't find what you need, ask us about our custom fabrication services. We're here to help every step of the way!
